

# 16 Darien-Clinton 46.7-34.8 miles 965'-768' Rolling Hills to Hilly

## Darien

This route is moderately hilly and fairly scenic over pastoral farmland. There is an ice cream shop as you enter Darien from the south on Cty X. On the main street in Darien there is a watering hole called The Farmers Inn and Tavern where you can stop and rehydrate. There is a wooden bridge that crosses Turtle Creek about two miles after you start heading south on Creek Rd that is closed for trucks and autos but bicyclists can easily cross it. About two miles after the wooden bridge, there is water and a restroom at Carver Roehl County Park about ¼ mile north on Carver Rock Rd. The route along Creek Rd back into Beloit is very scenic as it parallels Turtle Creek.
