

### 3 Krueger Pool Triathlon 13.8 miles 408' Hilly

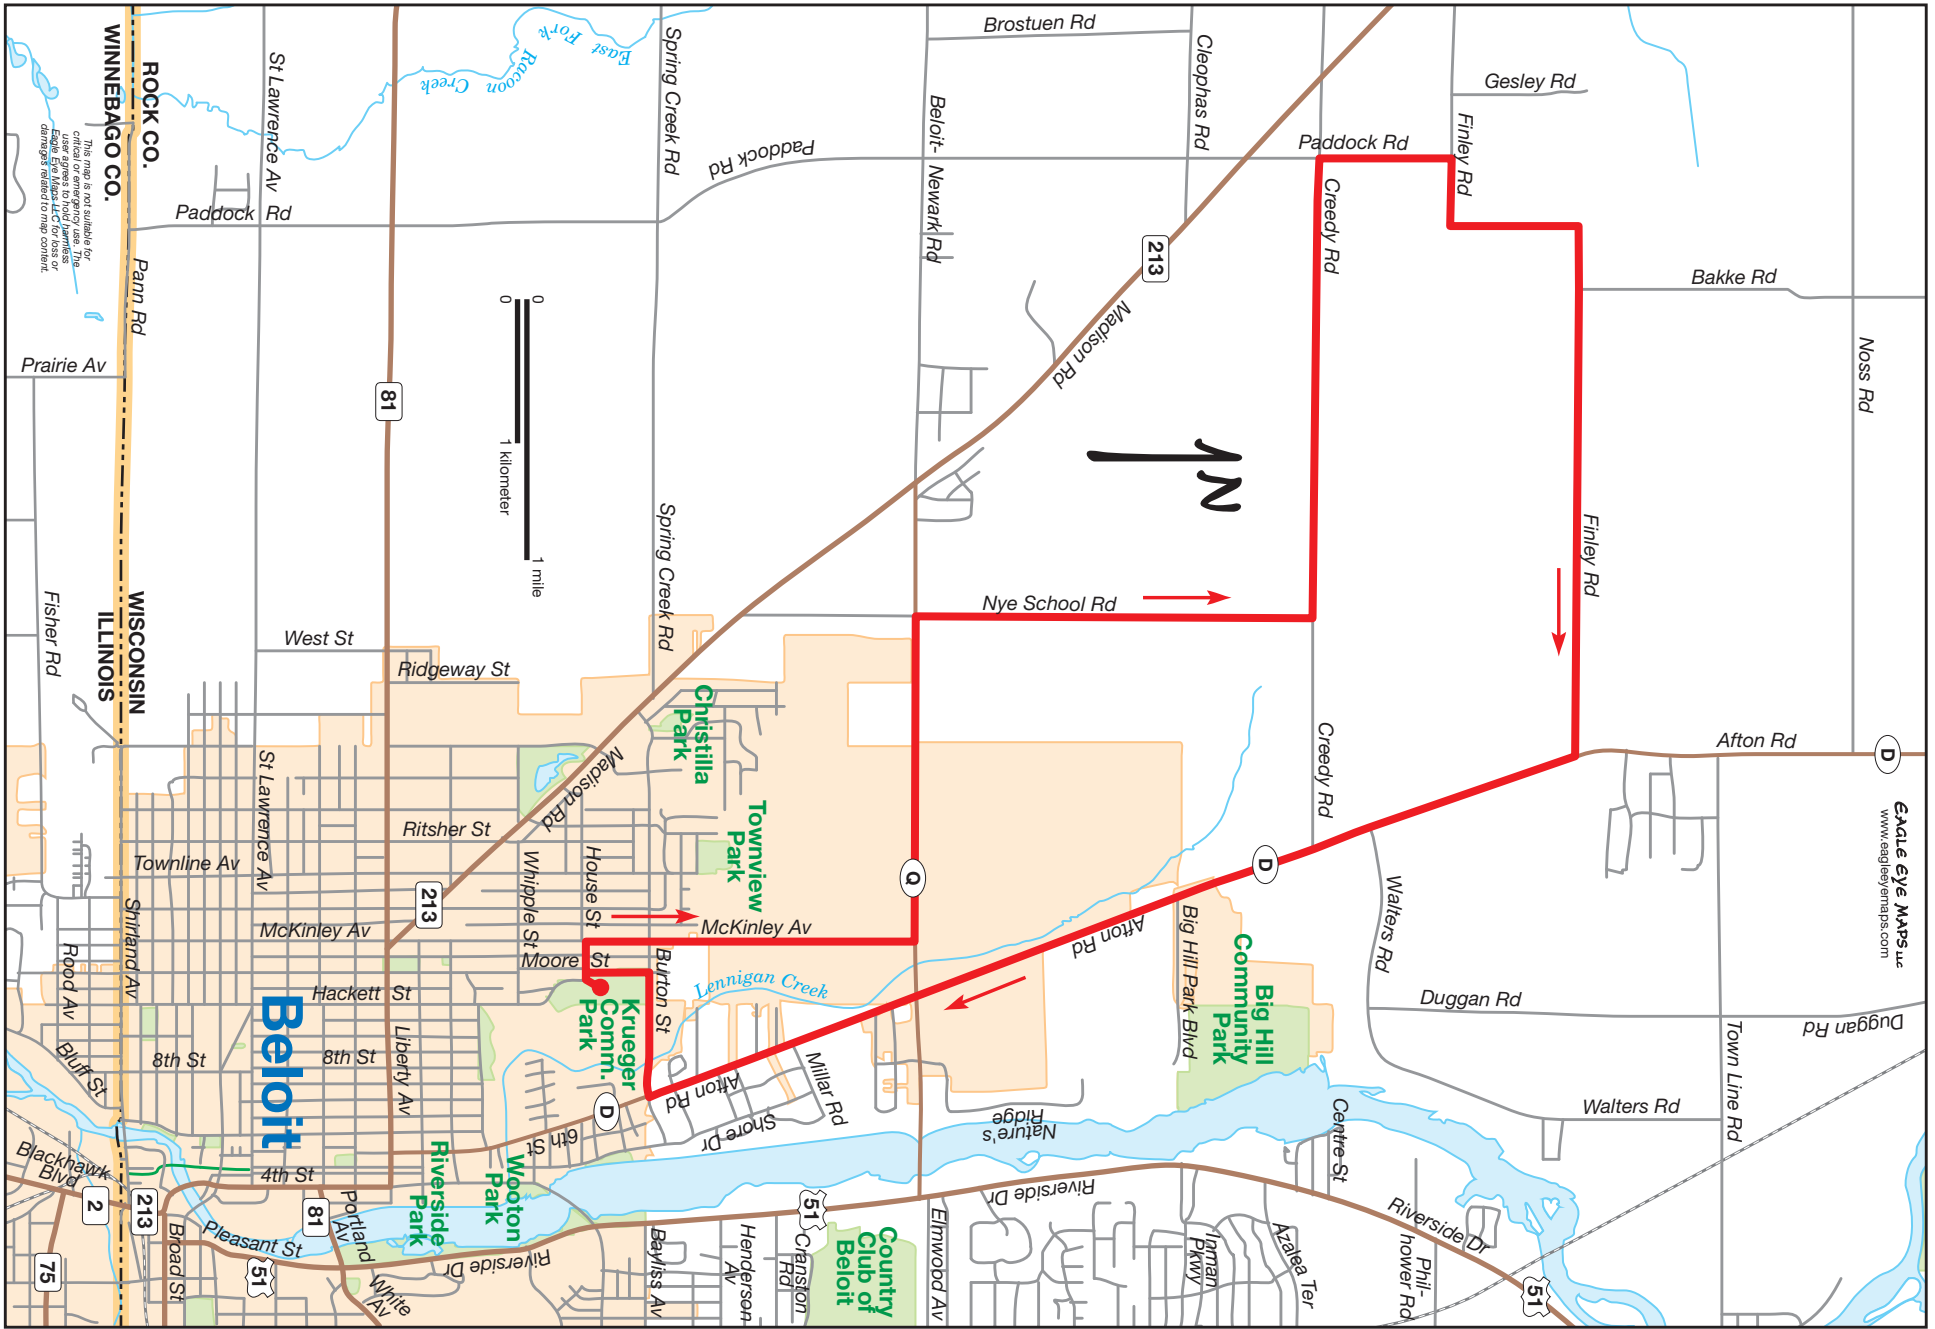

The Krueger Pool Triathlon is held the last Sunday of June. The bike portion of this triathlon is a 14 mile route northwest of Beloit. This route starts at Krueger Park (which is at the intersection of Hackett and House streets). There is ample parking in a lot that is adjacent to the baseball and softball diamonds. There is also a public swimming pool, an 18-hole golf course and the E.J. Dalton Beloit Boys and Girls Club adjacent to the park.

This route is particularly hilly so much of the time you are either climbing or descending. However, the lowest point to the highest point is never more than 125 feet meaning that this route can be enjoyed by even casual riders. Road surfaces within this route are very good and traffic is generally minimal except on Cty Rds D and Q which experience moderate traffic. However, both of these roads include a nice, wide shoulder lane for bikers.
