

4 Carvers Rock–Tiffany Bridge 34.2-23.5 miles 698'-361' Flat to Hillly

Carvers Rock

This route goes out to the beautiful Carver-Roehl County Park by following the south side of Turtle Creek before returning on the north side. This route passes right through the settlements of Shopiere and Tiffany providing plenty of woods, pastures and cropland to be viewed. Restrooms and water are both at Sweet Allyn Park which is in Shopiere where Cty J crosses Turtle Creek and at Carver-Roehl County Park. There are many historic bridges to be seen on this path including the famous 1869 Tiffany Railroad Bridge which can be seen from Smith Road. It is important to note that the bridges crossing Turtle Creek at Lather and Smith Rds have steel grate decks which in wet or dewy conditions can be quite slippery.
